**A. Personal Statement**

I have always been interested in the fields of Health and Community Education/Outreach. My work experience includes 17 years working with people challenged with health issues: mental health and chemical abuse/dependence, kidney failure and cancer. I've worked in both non-profit and for-profit settings, with 10 years of clinical practice experience as a Social Worker. I've taught part-time for two semesters at the University of Guam School of Social Work. Through the years I have been involved in community coalitions and advisory groups for HIV/AIDS, mental health & substance abuse, cancer data and research, and people with disabilities. I have a strong interest in issues of Diversity and Social Justice.
